

Egg Hunt Directions and Locations:

Peter Cottontail will be hopping around at ten (10) different Northampton Township building locations leaving a large colorful egg that will have a hidden word. Your “hunt” will be to find all 10 eggs and unscramble the words to reveal the Bunny’s message.

- Signs will be displayed at Township locations from Saturday, March 18 until Saturday, April 1. You can hunt eggs at your convenience when you drive nearby on different days or make it a one day outing!
- A Bunny Sign will be at each location. See below for addresses.
- Move the egg to the side to reveal a **secret word** at each site.
- When you find all 10 words, unscramble them to make a sentence.
- When you reveal the message, e-mail it to Parks & Recreation: Bsatterley@nhtwp.org along with your child’s name and age. Be sure to add: **EGG HUNT ANSWER** in the subject line. Submissions can be e-mailed through Saturday, April 1 at 12 NOON. Winners will be contacted the week of April 3.
- Four randomly selected children will receive the Golden Egg award of a \$ 25 gift card to the Learning Express so be sure to hunt down those eggs!
