		7/1-8/5 Part 2		ID 340

PART 1 This is a beginner class for anyone interested in the fascinating and esoteric world of Tarot. You'll learn all the meanings of the cards and their symbols, combinations, various layouts and types of readings. Requirements for the class - The Rider-Waite Deck. If you need to purchase a deck, please **DO NOT BUY A USED DECK**. The course is designed in 3 parts but this first class will still teach you what you need to do readings. Should you decide to continue to parts Two and Three, our explorations will continue with the symbolic meaning of the imagery, significance of the colors, the connection to astrology, and larger and more extended layouts. You'll learn the proper way to interpret the cards so that your readings are respectful and helpful to the maximum. Each of the 3 Parts are divided into 6 classes meeting once a week for an hour. Teacher, Robert Hazzon, has been reading cards for over 45 years and has an enthusiastic following on Facebook and has been teaching Tarot at Northampton Parks and Recreation for over two and a half years now.

PART 2 This class will continue with new spreads, card combinations, how to figure out someone's career, and focusing on transferring the meaning of one suit to another. It will also begin to focus on symbolism and color. This is mostly as a continuation for people who recently completed Part 1 but is open to anyone who may have general knowledge of the cards and wish to explore further into this mysterious art form and improve their skills. Requirements for the class - **HAVE YOUR OWN DECK**. If you don't have one I suggest the Rider-Waite deck, the most popular and buy it on Amazon, but a **NEW** deck, **NOT USED!**
