Navigating Perimenopause & Menopause: AN EMPOWERED APPROACH 21+ WOMEN ONLY

NORTHAMPTON TOWNSHIP RECREATION CENTER

Lisa Schwartz, PhD, LMFT, CST and Melanie Swain, LCSW, MEd, CST	Th	6/18	6:30- 8:30pm	ID 1553
--	-----------	-------------	-------------------------	----------------

Perimenopause and menopause are natural life transitions, yet many women feel unprepared for the physical and emotional changes they may bring. This supportive workshop provides education, tools, and open conversation to help you feel informed, confident and empowered during this stage of life. Increase your knowledge about perimenopause and menopause and explore how this life stage may impact your physical, psychological, relationship and personal wellbeing. Lisa Schwartz and Melanie Swain will explain:

- Symptoms of perimenopause and menopause
- Myths vs. facts
- Wellness strategies
- Communicate with Healthcare Providers
- Treatment and support options

A safe, confidential environment will be established at the beginning of the workshop. This workshop is for women only! **\$35 | 1 Day**

NORTHAMPTON TOWNSHIP SENIOR CENTER

CHECK IN AT 5:30PM
Clock starts promptly at 6:00pm. You will have 2 hours to finish your puzzle.

TEAMS:
2-4 people will complete a 500 piece puzzle

REGISTRATION:
Only 1 member needs to register for the team, members must be 12+

REFRESHMENTS:
Light refreshments will be served, feel free to bring your own snacks!

Think you've got what it takes to conquer the puzzle table? Join us for a fun-filled night of pieces, prizes, and plenty of laughs at our Teen Puzzle Palooza!

Gather your crew—teams of 2-4 are welcome, so bring your best puzzle partners. Only one person from each team needs to sign up, making it easy to lock in your spot for the challenge.

Everyone will receive the same puzzle, and once the clock starts, your team will have 2 hours to put your skills to the test. Will you be the first to finish? Or maybe just the team with the best strategy? Either way, it's all about having fun and enjoying the challenge together.

Prizes will be awarded, refreshments will be served, and the best part—you get to keep your puzzle at the end of the night!

Doors open at 5:30 PM, and the puzzling begins promptly at 6:00 PM. Bring your game face, your teamwork, and maybe your lucky puzzle-solving vibes!

NORTHAMPTON TOWNSHIP PRESCHOOL

Now offering Full-Day Pre-K!

At Northampton Township Preschool, children begin their lifelong love of learning in a warm, nurturing, and friendly environment. Our certified teachers guide 3- and 4-year-olds through a hands-on, age-appropriate curriculum that thoughtfully blends academics and play. Students explore art, math, writing, and science while building fine and gross motor skills. They learn to recognize names, shapes, and colors, and develop important social, emotional, and cognitive skills through structured play and meaningful classroom experiences. Preschool is often a child's first school experience, and our caring teachers make it fun, engaging, and confidence-building. For years, families have chosen Northampton Township's state-certified preschool as the perfect place for children to learn, grow, and thrive. **Child MUST be completely potty trained - NO PULL UPS!**

HOLLAND ELEMENTARY SCHOOL

Leigh Ferello	M-F	6/22-6/26	9:00am-12:00pm	ID 1524
---------------	-----	-----------	----------------	---------

The hunt is on for creative artists with a passion for K-Pop! Campers will dive into a world of imagination, designing chibi characters, creating pop star fashion: makeup, hair design and creating an outfit on a mini dress form, and experimenting with watercolors, oil pastels, collage, and more. Every activity is a chance to bring magical characters and fantastical worlds to life! Campers will also invent their own beverage creations using lemon-lime soda, fruit juices, and fun drink mixes — then design their brand and share their “power potion” with fellow campers.

NORTHAMPTON TOWNSHIP RECREATION CENTER

VAC Staff	M-F	8/24-8/28	9:00am-12:00pm	ID 1573
-----------	-----	-----------	----------------	---------

In this beginner-friendly robotics camp designed especially for Pre-Kindergarten students, children are introduced to early coding concepts and problem-solving through hands-on play with Code & Go Mouse-style robots. Using simple directional commands, students will program their robot mice to follow paths, reach targets, and complete playful challenges—building foundational computational thinking skills in a screen-free environment.

In addition to robotics play, students will participate in STEM-inspired crafts, such as building mini mazes, decorating robot tunnels, and creating imaginative challenge environments. The camp supports confidence, curiosity, and joyful learning—laying the groundwork for future STEM success.

Discover and explore how Alcohol Inks can be used. Alcohol Inks are vibrant, translucent and very forgiving! Investigate how this medium can be used by making your design completely abstract or more realistic by painting! Make your beautiful set of our tiles or two plates for your one of a kind art work. The inks are applied to the non-porous surfaces such as glossy tiles and plates by manipulating the inks. The inks are moved and floated by using rubbing alcohol, blending solution and air to create unique designs and texture. These plates are for decorative use and once sealed can be used other than for decorative purposes. Read full description online.

Alcohol Ink Landscape Painting 18+

NORTHAMPTON TOWNSHIP SENIOR CENTER

Joanne Sibre	Th	6/23	6:00-8:00pm	ID 1614
--------------	----	------	-------------	---------

Alcohol ink landscape painting are popular due to the fluid, fast drying nature of alcohol ink and isopropyl alcohol. The ink creates vibrant depth of color with layering. It produces atmospheric scenes of natural elements like misty mountains, glassy lakes and brilliant sunsets. The ink mixes and blends on non-porous surfaces like Yupo paper, ceramic tiles or glass. In this class you will create an abstract landscape painting on non-porous paper surface, learning how the ink flows and mixes to create beautiful images. You will take away the skill set to use the alcohol inks on many impermeable surfaces. All supplies included.

JAPANESE ART - LEIGH FERELLO

Kintsugi Golden Joinery 18+

NORTHAMPTON TOWNSHIP SENIOR CENTER

W	7/15	6:00-7:30pm	ID 1559
M	8/24		ID 1560

Kintsugi is a traditional Japanese art of repairing broken pottery by mending the cracks with a golden bond. This practice emphasizes beauty in imperfection, celebrating history and uniqueness rather than hiding flaws. While traditional Kintsugi uses lacquer and gold powder, we'll be using modern materials to ensure a comfortable and accessible experience. For this reason, your finished piece is intended for decorative use only. Read full description online. R \$59 | NR \$65 + materials fee

NORTHAMPTON TOWNSHIP SENIOR CENTER

W	6/16	6:00-7:30pm	ID 1630
Th	8/6		ID 1631

Kinusaiga (kee-noo-sigh-gah) is a traditional Japanese art form created with pieces of fabric, carefully cut and pressed into shallow grooves, forming a detailed picture without any sewing. Originally developed as a way to reuse old silk from kimonos, kinusaiga combines elements of painting and textile work. Each fabric piece acts like a brushstroke—its color, texture, and pattern contribute to shading, depth, and movement within the design. Read full description online. R \$59 | NR \$65 + materials fee

ONLINE COURSES MAKE PARTICIPATION EASY

It is easy to participate in your online course. After you register, you will be given a web address to go to get into your online classroom. You will create a password and use your email address and password to gain access. The online classroom is open 24 hours a day, 7 days a week. There are no live real-time requirements or meetings. You decide when you participate. For the best learning, participants should log into the course on 2-3 different days of the week.

For each Unit, you will:

1. Read the print readings (about 20 pages a week)
2. Listen to the audio presentation for the Unit and view the slides
3. Take a self-quiz to see how much you have learned
4. Engage in written online discussion with your instructor and other participants

The content (readings, audio lectures, slides) and self quizzes are accessible for the entire course, so you can work ahead, or go back and review again, at your convenience. Each Unit has a self-quiz.

NORTHAMPTON TOWNSHIP SENIOR CENTER

Rebecca Zarnawski <i>Reiki Master</i>	F	6/19	6:30-7:30pm	ID 1385
--	---	------	-------------	---------

Join us for a deeply relaxing, immersive Crystal Bowl Sound Bath designed to soothe the nervous system, quiet the mind, and support whole-body restoration. During this hour-long experience, you'll rest comfortably while the harmonic frequencies of crystal singing bowls wash over you, guiding the brain into a deeply relaxed, meditative state where the body can naturally reset and restore. Crystal singing bowls work on a vibrational level, helping to release tension, soften mental chatter, and bring the body and mind back into balance. Each bowl's frequency corresponds with an energy center in the body, supporting gentle energetic clearing and a sense of grounded calm. No prior meditation or sound healing experience is required. Let this final Still Waters of the season be your invitation to surrender into deep relaxation—surrounded by candlelight, immersed in healing sound, and held by the elements. This unique evening experience blends the gentle support of water with the vibrational medicine of crystal singing bowls, the resonant power of gong healing by Diana, The Transcendence Gifter, and the nurturing energy of Reiki. As you float beneath the night sky or recline poolside, you'll be guided into a deeply meditative state of inner peace and energetic renewal. Candlelight shimmers across the water's surface, setting the tone for a sacred space of stillness, serenity, and soul-level healing. As harmonic frequencies ripple through water and air, Reiki will be offered throughout to gently release stagnant energy, balance the nervous system, and awaken your natural flow.
