

# Butterfly Garden of Remembrance

The Northampton Township Business & Professional Association and Northampton

Township have partnered to establish the “The Northampton Township Butterfly Garden of Remembrance” at the Municipal Park on Hatboro Road, Churchville.

The goal is to provide a tranquil setting of solace where residents can honor and reflect upon the lives of their loved ones.

The vision for the garden includes a variety of trees, shrubs and flowers that have interest throughout the four seasons, as well as walkways, engraved pavers and benches.

There are a variety of options available for individuals and groups who would like to honor a loved one.

We hope this garden will serve to offer comfort and peace for you, the community.

## Butterfly Garden Of Remembrance

*"A butterfly lights  
beside us, like a sunbeam...  
and for a brief moment  
it's glory & beauty  
belong to our world...  
but then it flies on again,  
and although we wish  
it could have stayed,  
we are so thankful  
to have seen it at all."
